Hatteras Funds Hires Casey Brunner as Managing Director

RALEIGH, N.C., November 21, 2016 - Hatteras Funds (“Hatteras”), a provider of unique alternative investment solutions for Financial Advisors and their clients, today announced that Casey Brunner has rejoined the firm as a Partner and Managing Director.

“Casey’s return further supports our commitment to serving Financial Advisors and providing alternative solutions designed to solve their needs,” said David Perkins, CEO of Hatteras Funds. “We are excited to welcome Casey back to the Hatteras family. Casey brings extensive experience in alternative investments along with a commitment and dedication to working with Financial Advisors.”

Casey will focus on business development and client relations, serving financial professionals in the brokerage, RIA, and consulting communities. Mr. Brunner brings over 19 years of financial services experience to the role.

Mr. Brunner joined Hatteras in 2011 as the Midwest Regional Director. Prior to joining Hatteras, he held leadership positions with The Rock Creek Group and Morgan Stanley Investment Management (MSIM). He received his Bachelor of Arts degree from Indiana University Kelley School of Business and his Master of Business Administration degree from the Kellogg School of Management at Northwestern University.

“I am truly honored to re-join Hatteras Funds. Hatteras was founded with a mission of providing alternative investment solutions for Financial Advisors, enabling them to build better portfolios for their clients. I am particularly excited by the firm’s commitment to offering a platform of evergreen private investment funds. This team has a strong dedication to the Advisor community and I look forward to being a part of that again,” said Mr. Brunner.

The addition of Casey Brunner follows a series of strategic decisions Hatteras has made over the past year to accomplish its vision of being an alternative investment boutique dedicated to solving the needs of Financial Advisors. In addition, the Firm announced in October 2016 that Robert Brown had rejoined the firm as Managing Director of Business Strategy and in November 2015 that it had re-established itself as a 100% independent, employee-owned company.
